## Notes from Miss Roxy

Welcome to March at "Head Over Heels Montessori". Can you believe it? There are just three months left! We have lots of fun and exciting things planned for these last few months.

As for this month, one of our focuses will be teaching the children how important our community and its workers are to all of us as a whole.

We will be discussing and acting out what each child would like to be when they grow up. Though not all children grasp this entirely at this age. I believe it is very important that the children see how important all jobs are to our community, from restaurant dishwashers to the doctors.

Role playing is very important to a child's confidence. They learn very important life skills such as problem solving.

If you would like to share your occupation in some form with the children, please get with me. The children love to show off their parents.

## Spring Party

On **April 3rd** we will be having our Spring Egg hunt and party. The party will begin at 11am and end by 1pm.

I ask that each parent bring a dozen filled Plastic eggs per child. All eggs will be pooled together and hidden for the students to find. We will count for winners and divide, each child will leave with a dozen.

There will be a Sign-up Sheet for lunch items on the door to the Mountain Room. (Siblings Welcome)

## Get Ready

**New School Year:** It is time to register your Pre-schooler for the 2020-21 school year. If you don't catch Jessica at the front desk in the morning, you can call her at HOH or on her cell. (406)270-9824. You want to save your spots before we have Open Registration!

**Spring Tea with Mom:** Your child will begin this month to get everything ready for a special Tea Party with you. This event is one not to be missed!

Let me know which night will work best for you. Will it be Sunday April 19th or Tuesday April 21st?
